

SALVESTRIN

~ DR. CRANE VINEYARD ~

2015

CAVASO

ST. HELENA, NAPA VALLEY

Upon first impression, blueberry and blackberry fruit burst from the glass. As the wine opens up and has ample time to breathe, hints of black pepper, cola, olive, and black cherry unfold in aromatic layers. Refined powdery tannins frame a full, concentrated ripe berry profile on the palate. Velvety smooth in texture, with ample structure to support the fruit, it lingers long after the last sip.
