## CABERNET SAUVIGNON

DR. CRANE VINEYARD  
ST. HELENA, NAPA VALLEY

Our premium 3D Cabernet is a unique blend of less than a dozen barrels, hand selected by our winemaker. We repeat the barrel selection process three times throughout aging, ensuring that our blend expresses characteristics true to the Dr. Crane vineyard site. Equally savory and fruit forward, notes of black cherry, red licorice, cedar, forest floor, and dried tobacco layer this full-bodied Cabernet.

Hints of spices: vanilla, cinnamon and allspice are peppered throughout. The plush, juicy core is surrounded by suitable backbone framing, featuring refined chalky tannins. This wine is ready to enjoy now but will only gain over the next 15 years.
