2019

SAUVIGNON BLANC

ST. HELENA, NAPA VALLEY

Our 2019 Sauvignon Blanc reflects the perfection of the beautiful growing season we experienced last year. Brilliant aromas pineapple, citrus, green apple, and mineral notes emanate from the glass. Vibrant acidity leads to a lush concentrated and full mid-palate that reveals substantial weight on the back end. A full rich ripe finish rounds out the experience with great length of ripe apricot, white peach, and stones. Enjoy with great food, great friends, and great weather!
